Important Odds and Ends

Section Elections

This spring, we'll elect new officers to lead our section for the next two years. Please consider throwing your name into the hat. I promise, you won't regret it, and if you're elected, you'll love this new experience and you'll have your eyes opened to the wonders of The 99s.

Worried that you aren't qualified to run? Except for the Governor's position (which requires a previous term as a Southeast Section officer), no experience is required. What is required is enthusiasm and excitement, a willingness to get involved and a desire to get to know 99s from all parts of our section and beyond. And don't worry - all of your current officers want you to succeed and will be glad to provide advice and assistance.

Don't delay! Complete the "Intent to Seek Election" form ([attached to newsletter email](#)) and mail it to MayCay Beeler by March 4.

Aviation Activities and Safety Education

It's that time of the year when we get to toot our own horns! Linda Richards, the section's Aviation Activities Chairman, has sent the tally forms to each chapter chairman, who will distribute copies to all of her chapter members.

At our Pensacola meeting, we will present Aviation Activity awards to two chapters, based on the results of these tally forms. The first award will recognize the chapter with the highest total number of points, while the recipient of second award will be determined by dividing the total chapter points by the number of members in the chapter.

This friendly competition gives each of us a chance to brag, so get your calculators warmed up and see how many points your chapter can accumulate!

Spring Section Meeting

By now, you should have received the information about our upcoming meeting, in Pensacola on May 1-3. (See attached flyer in newsletter email) As you can see, we've planned a weekend full of activities. Make plans now to join in the fun and be sure to take advantage of the "early bird special" by mailing your completed registration to Lisa Cotham no later than April 1.

I'm looking forward to seeing everyone in Pensacola!

Editor Note:

Due to my unforeseen business circumstances, the February FLIGHTLINE news will be in the March newsletter.

Note: the NEW deadline for FLIGHTLINE articles is the 5th of the Month.

I am including flyers and registrations for this month in this newsletter.

"Till next month,

Judy
