Article deadline 5th of each month

From Governor Lisa

The weather was a little damp in Asheville, but the spirit was anything but. We had a small but enthusiastic turnout for the Fall Section meeting with 23 members attending the business meeting and 33 members and guests enjoying our buffet luncheon.

Friday's reception was on a lovely covered patio in the hotel's outdoor courtyard. We had the pleasure of meeting FWP...oops, Associate Member Danna Parks, a local physician who is taking lessons and participates on the 99s Flight Training Forum. We also met several first-timers as well as we long-timers!

International Treasurer Kris Irvin-Herron, in addition to filling us in on Headquarters happenings, was crucial in helping us understand the work ahead of us in repairing the chapters' non-profit status. Each Chapter Chairman will shortly receive a letter explaining in detail what needs to be done. We will proceed in stages so everyone has time to compile the information needed to submit to the IRS. As we said at the meeting, all of your Section officers will be there to help you in every way we can and make this as easy as possible. We can't stress enough how important this is. It will require your careful attention and assistance. But we can do it!

A big thank you to Vice Governor Marlene Raseta and Treasurer Nan Salomon for working with Blue Ridge Chapter in making arrangements in Asheville; to Liz Lee (Carolinas) for helping with the silent auction; to Stacy Booker (Mississippi) for helping in hospitality (and Marlene, hospitality was great); to those who helped with transportation (Nan, Lori, Danna, Corbi, and whoever else I've forgotten.) I think all would tell you it was fun.

Governor, Lisa Cotham presents a gift of thanks to Denise Waters, our speaker.

The next Section meeting is scheduled for April 23-25, 2010 in Fort Lauderdale, FL. Florida Gold Coast Chapter is our hostess chapter. Put the dates on your calendar and we hope to see you there.

Lisa

Paradise Coast Chapter

By Terry Carbonell, Chapter VC

We would like to issue a Chapter Challenge to help with our fund raising efforts. As we are the only Chapter working on 2010 ARC, we would like to challenge each chapter to raise at least \$100 each to contribute to Paradise Coast 99s to go to our scholarship fund. That will go a long way in getting us started. We have already raised \$1,175 so far but have a \$20,000 goal. As we are the newest chapter in the section, "baby sister" is asking "big sisters" for their help. . . and the sooner the better so we can pay for the things we have to pay for to put on this show! Many thanks for your help.

FL Spaceport Chapter

By Bobbi Lasher

Florida Spaceport member, Bobbi Lasher, talked to a local Girl Scout Cadet troop on September 16th about aviation. Using a couple of posters, Bobbi was able to show the girls the different parts of the plane, what they do and also talk about the basic instruments in a trainer airplane. In about an hour they talked about most of the requirements for the *World of Flight* badge. The girls are ages 10 – 14 and were very interested and asked a lot of great questions. On October 3rd the girls and their parents will visit the Merritt Island airport for a tour and Young Eagles Flights, thanks to other 99s who are also members of EAA. The girls were able to take home the *Learn to Fly, Become a Pilot* books, donated by Gleim Publications and posters of a 172 instrument panel, donated by Sporty's Aviation.

Embry Riddle, Daytona Chapter

The Girls have been very busy when they are not in class. These are some of the activities they have been involved in this semester:

Recruited about 15 members.....YEA!!!!!!!!!!!!!!

Did a beach clean-up with the community

Made teal ribbons and pamphlets about ovarian cancer (September is Ovarian Cancer Month)

This was done during an all female ice cream social. [these girls have great ideas!]

Had a social at "The Mud Monkey" and painted pottery

Had a T-Shirt Sale at school

Julianna Leutz, Chapter Chair, sent me this information. She apologized for not having the information in article format, because they are so busy at school. I am just so happy to get the information. They are doing so much! Amazing energy! You go girls!

Alabama Chapter

October – They were at the Southern Museum of Flight to complete the compass rose last Saturday, October 3rd. All they had left to complete were the cardinal points, the 99 logo in the center and to sign their masterpiece!!

November - It's been suggested to get together to see the movie "Amelia", starring Hillary Swank and Richard Gere after it comes out the end of October. They are looking into finding a theater in Huntsville and meeting up there for a matinee.

December - Their usual Christmas luncheon will be the first weekend in December, date, time and place to be set. Everyone seems to really enjoy the All Steak in Cullman, so they may repeat that.

Mission Statement – PROMOTE world fellowship through flight PROVIDE networking and scholarship opportunities for women and aviation education in the community PRESERVE the unique history of women in aviation

January - Amelia Earhart Luncheon with the Birmingham Zontas - see below!

AMELIA EARHART LUNCHEON

Mark your calendar NOW for Jan. 9, 2010, 11:00 AM for the AE luncheon. Proceeds go to the Amelia Earhart Museum in Atchison, KS. The 99s co-own the Museum with the City of Atchison. We partner with the Zonta Club of Birmingham (Amelia was also a Zontian). The speaker is a world renowned - Cheryl Stearns, who just happens to be a 99, is an internationally known parachuting champion with a total of 30 world records in parachuting. At one time held four different world records simultaneously: a feat no other parachutist, man or woman, has matched. She was the first female member of the Army's elite parachuting team, The Golden Knights. Cheryl also was the Three-time overall women's style and accuracy champion at the military world championships (1991, 1995, 1996).

Guests are very welcome and along with the luncheon and speaker, (held in the chapel at the Birmingham YWCA), we have a raffle and silent auction. A great way to spend a Saturday in January.
