We hope to see many of you on the 9th at Crystal River hosted by Gudi Davis. Speaker, Carol Ann Garrett will probably fly in with her homebuilt RANS since her Mooney is getting a new engine and will speak to us about her two round-the-world flights. She is always a great inspiration and fun-filled speaker while she relays her challenges and problems in completing her goal of 8 days, 12 hours and 20 minutes at a record-breaking speed departing and returning to Orlando International. She didn't meet her goal of fundraising for ALS but will be happy to accept your donations to ALS research for her book and/or CD. She may even have completed her DVD which includes takeoff and landings in foreign countries, ATC audio, TV interviews, an in-flight interview and pictures of interesting places. She was featured on the cover of the March/April 99 News magazine and article on page 8.

Kudos to the Gold Coast and Florida Suncoast chapters for sponsoring two rooms at The Red Rose Inn for four of the W.A.S.P. members during their three days at Sun 'n Fun. If your chapter is interested in participating in this endeavor on behalf of the W.A.S.P., \$300 would cover this cost for a room housing two women during their stay. You can contact Nancy Wright at wright99@tampabay.rr.com or 727-946-1050 with your questions.

Do you have a interesting article you would like to see in the FLIGHTLINE newsletter? We are looking for flying related information, personal achievements, awards, ratings or interesting tid-bits to fill issues of the newsletter. Feel free to submit your article for possible inclusion in future issues.

Governor Lisa's message:

Burrrr! After a full week of below freezing temperatures, it's time for this Arctic air to head north. I hope the cold hasn't interfered too much with your flying activities.

Your Section Scholarship Chairman Jaime Gonzales reports that we had five applicants for the Amelia Earhart Scholarship and two applicants for the Future Woman Pilot award. She is busy this week evaluating the applications and making the Section's selections for forwarding to the AE Trustees by the Jan. 15 deadline.

In case you haven't heard, long-time AE Scholarship Trustee and Chairman Emeritus Charlene Falkenberg passed away on Jan. 10.

Our Section membership number has crept up just a little in the last several months. Section Membership Chairman Eileen Malan accepted the challenge to increase our membership. You can help by inviting women pilots in your area to join the world's oldest and most-respected organization of women pilots.

Be on the lookout for Spring Section Meeting information. We're scheduled for April 23-25 in Fort Lauderdale. See you there.
