December 2018

Hoping your holidays are Flying!

Whether you are current or not, I know the love of flying. I hope you have an opportunity to fly, or sit right seat or just go to the local airport to hang with the gang and smell the air. May that be a great reminder of the wonderful group of woman you belong to - Ninety Nines.

Ladies, our group has had phenomenal growth for a section. We have surpassed 25% in these last 18 months. You make a difference for your sisters. Continue to reach out and give them the support they need. And if you are one of the new ones, we are looking for you. Many of us have gathered for a party in this season. My chapter for one makes wonderful memories. The Christmas Invite goes out to all members and many new ones came for their first time. Now they know what they have missed, the remarkable camaraderie of another female pilot.

Lots of events will be coming up in the new year. Check the SE Section Calendar on our web site for the bigger events. And if you have something you'd like listed, just email me and ask. Check it from time to time, new events are recorded regularly. Soon the section will actually paint a compass rose at Sun N Fun. Check back for that date hopefully in February.

It's December's end. Don't forget the sale of tickets for our **Cruise Fundraise**. We have only sent one per gal to each member enrolled before December. Selling all the tickets is an achievable goal if you will either simply buy your ticket or ask one outsider from the 99s to contribute to our fundraiser. It is easy. Help us sustain the New Horizons Scholarship fund. Thanks.

This year has been full of changes for me. I got my medical back and am flying again (for a few more years I hope.) I just got my plane back from annual and it wasn't the huge bill it can be. Yeah. I have a wonderful family, like many it has some challenges mainly health issues, but I am grateful for them and their love. Hoping you have a wonderful holiday and an exciting New Year.

Your governor, Mae Marquet

Cruise Tickets

Why don't you think of gifting a cruise ticket to someone. You never know who will win this opportunity. And it's a support to our organization as well as the fact that it is going directly to scholarship.

Scholarships

Applying for Scholarships? Check the web sites for date changes. This year for Amelia Earhart Scholarship deadlines have been moved to Jan. 1. For New Horizons Scholarship there is a new improved application and path to filing it. Go to our SE Section web page and follow those instructions. That deadline is still April 2.
