## First Coast 99s Chapter

Congratulations on completing the Airmarking at CRG!! It was a long time in the making and it is their chapter's first airmarking?!? It looks fabulous and they all had a great time completing the project!!

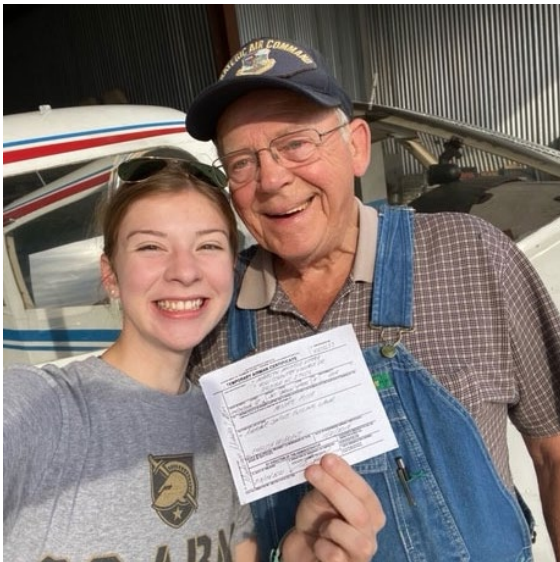

Chapter chairman, Jessica Mendez, wanted to thank all the ladies who stayed out there and saw the project through! Abby, Laurie, Kay, Cheri, Tracy, Laura, and a special thanks to Meagan who coordinated it all! They also owe a big thanks to Don who donated all the paint, his time, and his experience!

## Florida Suncoast Chapter

The Florida Suncoast had an online and in-person meeting at Right Rudder Aviation in Inverness Airport (KINF). Because of pouring rain, they could do perfect social distancing. After their business meeting, Mr. Steve Severance from Tampa FAASTeam presented a short WINGS seminar. Since they are in Florida, they are more familiar with flying near/over open water, but there were some points they need to think about as a pilot, such as when you go somewhere new. A good pilot is always learning!

## Kitty Hawk Chapter

Congratulation to Kitty Hawk member, Maddie Zotter, who received her Private Pilot certificate on March 9th.

Kitty Hawk member, Rae Banks, was featured in an ad for the U.S. Air Force in the Women in Aviation Conference program.
