# Southeast Section 99s Women Pilots

## Governor's Message

### **Southeast Section Members:**

Thanks again to the Carolinas Chapter for the great work they did hosting the Fall 2021 Section Meeting in North Myrtle Beach, SC.

The Ocean Creek Resort was a fantastic location. The individual suites were spacious and within walking distance to the ocean. Despite the busy schedule, many of us found time to get out on the beach, at least for a little while.

The weather was absolutely perfect, making our stay just that much better. Thanks too, to all the SES 99s who were able to attend the first in-person meeting in two years. Everyone enjoyed finally getting to see members in person.

## The 2022 International Conference Charleston, SC July 5-10

The 2021 International Conference is going to be here before we know it. Several members of the SES have stepped up to help lead the volunteers. While much of the planning is now conducted by the International Conference and Career Expo Committee (I.C.C.E), we still need a significant number of SE Section members to help. It's never too soon to let the committee chairs you can help.

- Hotel Greeters: Chair [Maria Lamia](#)
- Transportation: Chair [Jenny Conway](#)
- Hospitality Suite: Chair [Ramona Banks](#)

## Another Committee Chair is Needed for the Conference!

We need a volunteer to help coordinate the Fly Market Room. Let them know if you are willing to help.

The SES Liaison with I.C.C.E. is [Ramona Banks](#). Please contact her or [Janice Pelletti](#) if you can help.

## 2021 SES Ninety-Nine of Note Award

Karen Weldon, NOLA Chapter, is the winner of the SES Ninety-Nine of Note Award. Karen is a continuous member of the 99s since 1993 and is now a life member. She has chaired the NOLA Chapter for eight years and continues to lead the Chapter in many projects and events. She served as SES Director and on the International Nominating Committee for two terms each. She also worked as a member of the International Credentials Committee.

Karen holds both a BA and MA in Mathematics from State University of New York at Albany. She worked at Lockheed Martin until retiring in 2009.

**Congratulations Karen from the entire SE Section!**
