# Southeast Section 99s Women Pilots

## Governor's Message

### To All Southeast Section Members:

**The Fall 2021 Southeast Section Meeting October 1-3 in North Myrtle Beach, SC, is happening in two weeks.**

As of today, we are planning a live meeting in North Myrtle Beach. We've looked into having a virtual aspect to the meeting, but the cost of running this through the hotel is not in the budget.

The Carolina's Chapter is working with the hotel to ensure the meeting rooms are large enough for us to maintain a good social distance.

Attending the meeting in person is an individual decision and everyone respects the different comfort levels many of us are experiencing.

It's not too late to register!

Fly Market tables are available for \$10.00 each. Please sign up ahead of time.

Please complete the registration as soon as possible. More information is below. I look forward to seeing all of you there.

**SAFECON Judges  
Needed!**  
**Information from NIFA  
Chair  
Marilyn Shafer**

Regionals are being held in Cleveland, Mississippi on October 26-29. This is a great volunteer opportunity. Details can be found in the 99s Calendar online under the "Join 99s" tab. I have been informed that the "Volunteer to Judge at SAFECON" button on the NIFA.aero webpage is inop currently so just email the contact listed in the calendar directly. Please let him know what days you can judge and what you would like to judge if you have a preference.

Only the SE Section covers Region IX and the rep, Mark Misunas, writes: "The Aerospace Center for Excellence (ACE) is hosting again this year in KLAL. Things will be a little less spread out this year. Also, some schools may want to do the ground events (SCAN, A/C ID, & Comp. ACC.) at their school and I would need some judges to help with that. I'm still waiting to hear which schools will do that option. So please keep that in mind. Please pass this email on to anyone that might be interested in judging. No experience is necessary. We train."

Dates for the Region IX SAFECON at KLAL are November 1-6.

## CALLING ALL SES TEAM MEMBERS

Two years ago we voted and agreed to host the 2022 International Conference in Charleston, SC. The time has come to step up to this commitment and volunteer for a committee. As most of you know, this is the first International Conference organized using the International Conference and Career Expo Committee (I.C.C.E.). This new committee takes much of the planning and organization off the shoulders of the host section. However, we are still responsible to help in several areas. Volunteers are needed for:

- Hotel Greeters: Chair [Maria Lamia](#)
- Transportation: Chair [Jenny Conway](#)
- Hospitality Suite: Chair [Ramona Banks](#)

The SES Liaison with I.C.C.E. is [Ramona Banks](#). Please contact her or [Janice Pelletti](#) if you can help.
