# Southeast Section 99s Women Pilots

## Governor's Message

### Summer Flying is Here!

I hope everyone is off to a great summer of flying. As the temperatures and dewpoints increase, keep your basic aircraft performance in mind. Please take the time to review your aircraft performance under increased density altitude, not just for take-off, but in the climb as well. For those of us flying in the mountains, this is particularly important. Make your summer flying fun and safe.

### Electronic Voting Reminder

The SES Board is asking all members to help us save on our costs for sending out paper ballots. If you haven't already, please opt in for electronic voting. It's easy and only takes a minute to opt in.

1. Log in to the International 99s website.
2. On the drop-down menu on the right side click on **Update Information**.
3. Scroll down to Electronic Voting and click YES.

## 2022 Southeast Section New Horizons Scholarship Winner

Congratulations to this year's New

Horizon Scholarship winner, Irene Lopez. She is using her scholarship for her Flight Instructor Certificate.

Irene is an extremely active member of the Florida Goldcoast Chapter. She currently serves as chapter secretary and has made significant contributions to chapter projects like Let's Fly Now and Girl Scout events.

She is also active in other aviation organizations. Congratulations Irene!

## AOPA Airport Advocacy Program

Anita Mixson, SES Director is encouraging all Ninety-Nines to get involved in the AOPA Airport Advocacy Program.

## WHAT IS THE AOPA AIRPORT SUPPORT NETWORK?

Pressure on public and privately owned airports continues to mount. This pressure takes many forms, including curfews, noise restrictions, lack of improvements, residential encroachment, and even calls to close the airport. The AOPA Airport Support Network provides the vehicle for AOPA members to work in concert with AOPA staff to preserve and protect airports across the United States. Our goal is to have an Airport Support Network (ASN) Volunteer at every public use airport in the United States.

Our Volunteers:

- Engage with airport management and local elected officials
- Promote the airports value in the Community
- Protect America's Community Airports
