# Southeast Section 99s Women Pilots

## Message from the SES Governor

It's shaping up to be a busy October for the Southeast Section.

The Fall Section Meeting is less than two weeks away, Oct 7-9. The Tennessee Chapter has been working hard to include a variety of interesting and fun activities. I look forward to seeing everyone!

The Nashville Chapter has sent updated information on their Non-Poker Card Run October 1-31, 2022. See the flyer below for more information.

Ramona Banks has planned a fun fly-out October 28-30. The Witches Gathering flyer is included. You can come for the weekend, or just head over for lunch. No work, just a fun time.

The SES Board would like to remind everyone to consider making a recurring donation to the section. If only half our members would donate \$5 each month, we would not have to do fundraising projects. It's easy to sign-up. The form is included.

The PPLI committee is raising awareness of this important program. They are making a presentation at the Fall Section Meeting. I have also included their current newsletter.
